

Mould & Mildew Remover

Eliminates mould, mildew and algae. A powerful multi-purpose cleaning gel. Ideal for showers, washrooms and toilets.

Cleans rubber flooring, safer surfaces, outdoor pool surrounds and patios.

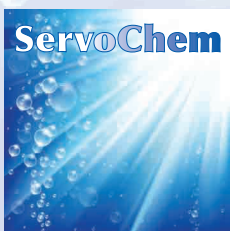

DIRECTIONS FOR USE

Internal use

Apply to the area and agitate to form light foam with a damp brush or cloth and rinse well. For stubborn stains and mould, mildew and algae leave for 20 - 30 minutes and rinse thoroughly a further application may be required.

Outside use

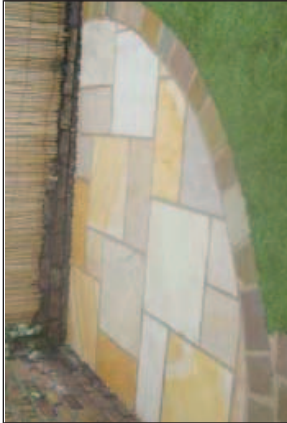

Brush or blow the surface clear of any loose debris. Lightly wet the surface. Using a soft sweeping brush or medium pile paint roller apply the undiluted **Mould & Mildew Remover** and agitate to form a light foam. Leave for at least 30 minutes to let the cleaning agents work. Rinse the surface thoroughly by hosing the detergent to waste. More than one application may be needed if the surface is badly contaminated
